Tool box is packaged in a thick molded foam core for protection in a heavy duty cardboard box.

Wheels need to be installed on the roller cabinet along with the side handle and front side trim that goes on both sides on the front of the roller cabinet.

All tool boxes include the owners manual, warranty info, keys, name plates, front side trim, drawer liners, and side handles in the top drawer. The casters are located in the bottom of the roller cabinet smaller drawer.

Container size orders are a special quote for each customer depending on order volume, modifications, and requirements.
